

GDE Electric Lines May 2022

Building plans are coming along nicely. We hope to get started THIS YEAR on a new truck facility, but that may be ambitious with the current supply chain problems. We are having trouble with transformers, meters, cross arms, etc. and you know that building supplies are scarce right now. The growth within Gallatin is still driving GDE forward. The good news is that our GDE staff is still doing a great job of staying on top of the growth we have. I can't say enough of how proud I always am to tell others about our great employees at GDE. YOU ARE GREAT!!!

Mark

MILESTONES/ANNIVERSARIES

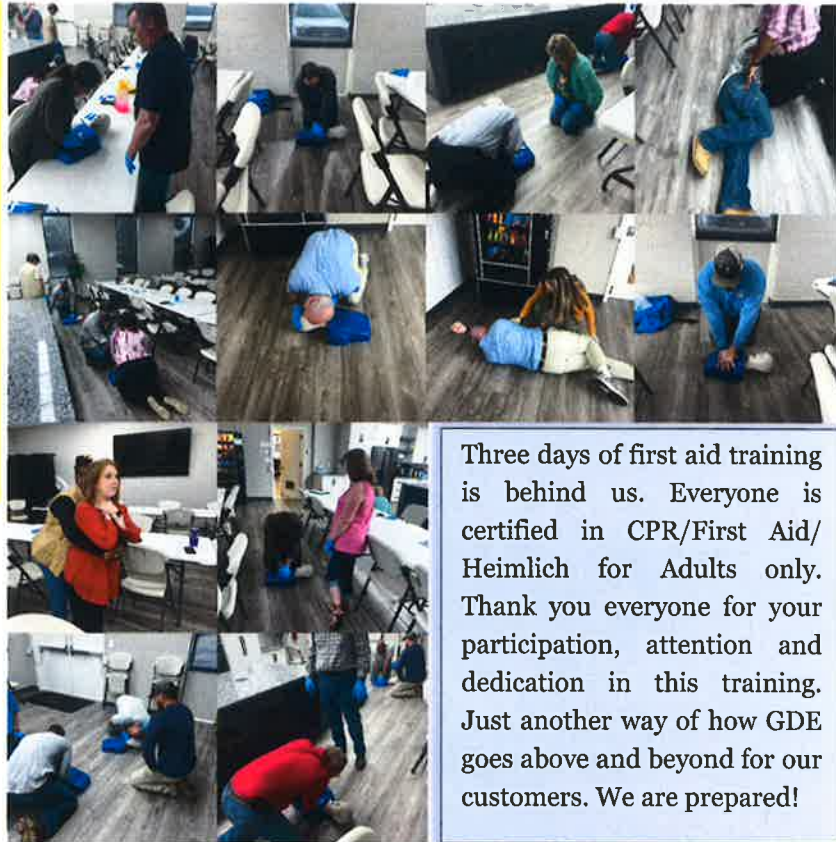

Jared Pedigo – 6th – 3 yrs.

Leigh Vanderwielen- 15th- 2yr.

Jesse Crook –16th – 6 yrs.

Brandon Hesson – 21st – 15 yrs.

Brandon Barlow – 27th – 19 yrs.

Three days of first aid training is behind us. Everyone is certified in CPR/First Aid/Heimlich for Adults only. Thank you everyone for your participation, attention and dedication in this training. Just another way of how GDE goes above and beyond for our customers. We are prepared!

IT'S YOUR BIRTHDAY

Greg Hooge- 13th

Troy Dawes- 29th

Leadership Gallatin will be at GDE's facilities on May 10th to sit through a shortened GDE University and to tour the building. Please give them a big welcome.

UPCOMING HOLIDAYS

Memorial Day – May 30th
Independence Day – July 4th

May is mental health awareness. GDE's EAP representative is Optum.

April 18th was National Lineman Appreciation Day. Thank you to everyone who participated and made our linemen feel appreciated. We are so thankful for the crew here at GDE!

Customer Engagement

April 22nd was Earth Day. GDE utilized the partnership with TVA to boost ways to conserve energy and reduce our footprint. Customers we able to engage in ways they were conserving energy for a chance to win a \$25 Amazon gift card. Picture is the winner of the gift card for their online participation in the contest. Thank you also to the customer service staff for passing out information and goodies to our customers!
